Subject: Fwd: Ireland 2040 submission Drogheda

>> Dear Sirs

>>
>> I was appalled to read your draft proposal for Ireland 2040 that Drogheda was excluded

>>
>> The largest town in Ireland as per the last three censuses plus the thousands in its hinterland-the fact that you decided to ignore Drogheda is nothing but a pure disregard for the people living in this area

>>
>> Drogheda needs to be included in your completed plan As you will have seen or will see from Dr Brian Hughes detailed reasons for including Drogheda THIS CANOT BE IGNORED

>>
>> Drogheda has so much potential 30 mins to Dublin Airport 90mins to Belfast Airport not to mention its own port and the close proximity to Dublin port

>>
>> An excellent network of roads which could be made better by removing a toll

>>
>> A history that very few towns and cities can match which could be explored more to everyone's benefit

>>
>> This is only a short submission but please throughly read Dr Brian Hughes report a man of his experience and expertise cannot and should not be ignored

>>
>> Regards

>>
