I would like to add my voice to have Drogheda recognised in the plan for the next 20 years. We as a town have been overlooked, ignored, snubbed, we are treated by Government and Louth county council as if we are invisible! Why is this!? I'm angry to say the very least this town has a fantastic community spirit and we as the protectors of our town insist at the very least we are included in the new "Our Plan" we are truly deserving of it and will not put up with this form of bullying because by ignoring us you are indeed trying to bully us to into being quiet! We have a voice and demand to be heard!
