Dear sir/madam

I understand that the the town of drogheda,a town of over 50,000,83,00 including the greater area,is not mentioned in the national plan.Iam from Dublin but living in drogheda since my return from the USA 12 years ago.

I personally think this town has huge protential,located on the m1 ,between Dublin and Belfast great train and bus links There is a large port area zoned and waiting to be developed.a historic town with a good marina would be great for tourism.

Please don't overlook this great town

Thank you

Yours sincerely

Brendan hickey
