Dear Forward Planning Section,

Please find attached a submission from the Irish Wind Energy Association regarding *Ireland 2040 Our Plan, the draft National Planning Framework*.

IWEA welcomes the opportunity to contribute to discussion and debate shaping Ireland's strategic planning for the coming decades. We would like to recognise and acknowledge the professional and diligent work that has been undertaken by officials to bring such a comprehensive document forward for public consideration.

If our staff or the IWEA Planning Committee can be of assistance or provide further clarity on the comments contained in our submission we would be delighted to do so.

Yours sincerely,

Adam Ledwith
Head of Communications and Public Affairs
