**Re: Mid-West Limerick City-Region Joint Submission on Draft National Planning
Framework "Ireland 2040 - Our Plan"**

Dear Minister Murphy

I write in respect of the above referenced.

As Chairman of the Mid-West Action Plan for Jobs (MWAPJ) I would like to endorse the joint submission which is being made in support of the Mid-West Limerick City Region. This submission is being made in support of the previous submission, dated the 16th March 2017, to the Issues and Choices document.

Vision and regional collaboration deliver impactful benefits for regions. The most recent publication by An Tánaiste on the success of the MWAPJ finds that an additional 15,800 persons are employed in the region since the launch of plan (2015), while our unemployment rate has fallen by over 4 percentage points during the same period.

We ask that government give due consideration to this joint submission outlining the regions collaborative vision for our future.

Yours sincerely,

Barry O'Sullivan
Chairman
