Can the following be added to the NPF,

That this government look at reopening Dunleer train station in Mid Louth , the reopening of this facility would be of great help to commuters ,Bussiness and tourism which in turn would all be of great help and addition to the Ardee Mid Louth Area, with a growing population and economy many cars are be left along the motor way in towns and villages taken up valuable spaced for those who wish to shop , this is something that I Deputy Fergus O Dowd and our Constituency feel is of most t important for our area to grown in a positive and successful way going forward

I hope that this submission can be added to the NPF.

Kind regards
Cllr Dolores Minogue
Ardee Mid Louth
