**Subject:** KSWUrban Meeting with Ministers Request

Dear Sir,

We would ask that you can bring to the attention of the ministers for at least housing, transport, and health the existence of a single, voluntary, proposed integrated nation-wide development plan.

As all ministers are stakeholders we therefore welcome an opportunity to share this solution which is both simple and wide-ranging.

It would be a pleasure to present /discuss,

I look forward to hearing from you,

Nicola Kelly.
